2020

La tua casa è il mondo che hai costruito. Contiene esperienze, ricordi e passioni. Alcuni oggetti ti riportano indietro, e raccontano storie. Sono il tuo passato e hanno plasmato chi sei oggi. Altri oggetti ti spingono avanti, e raccontano sogni. Quelli che non sveli a tutti, ma soltanto, forse, al migliore degli amici.

Ogni giorno scrivi un nuovo capitolo della tua storia. Luoghi, legami ed emozioni. Noi desideriamo aiutarti a custodire tutto questo.

*Your home is the world you've built. It holds experiences, memories and passions. Some objects take you back, and have a story to tell. They're your past and have shaped the person you are today. Other objects drive you forwards, and convey your dreams. The ones you don't tell everyone about, maybe confiding in just your closest friend.*

*Every day, you write a new chapter in your personal story. Places, relationships and emotions. Our aim is to help you create a home for all of this.*

# L'attico in città

*Penthouse in the city*

Al centro del mondo, eppure intima e confortevole come solo la propria casa sa essere. Tra tonalità scure e angoli che invitano al relax, l'attico in città diventa un luogo nel quale ritrovarsi per rendere speciale la quotidianità.

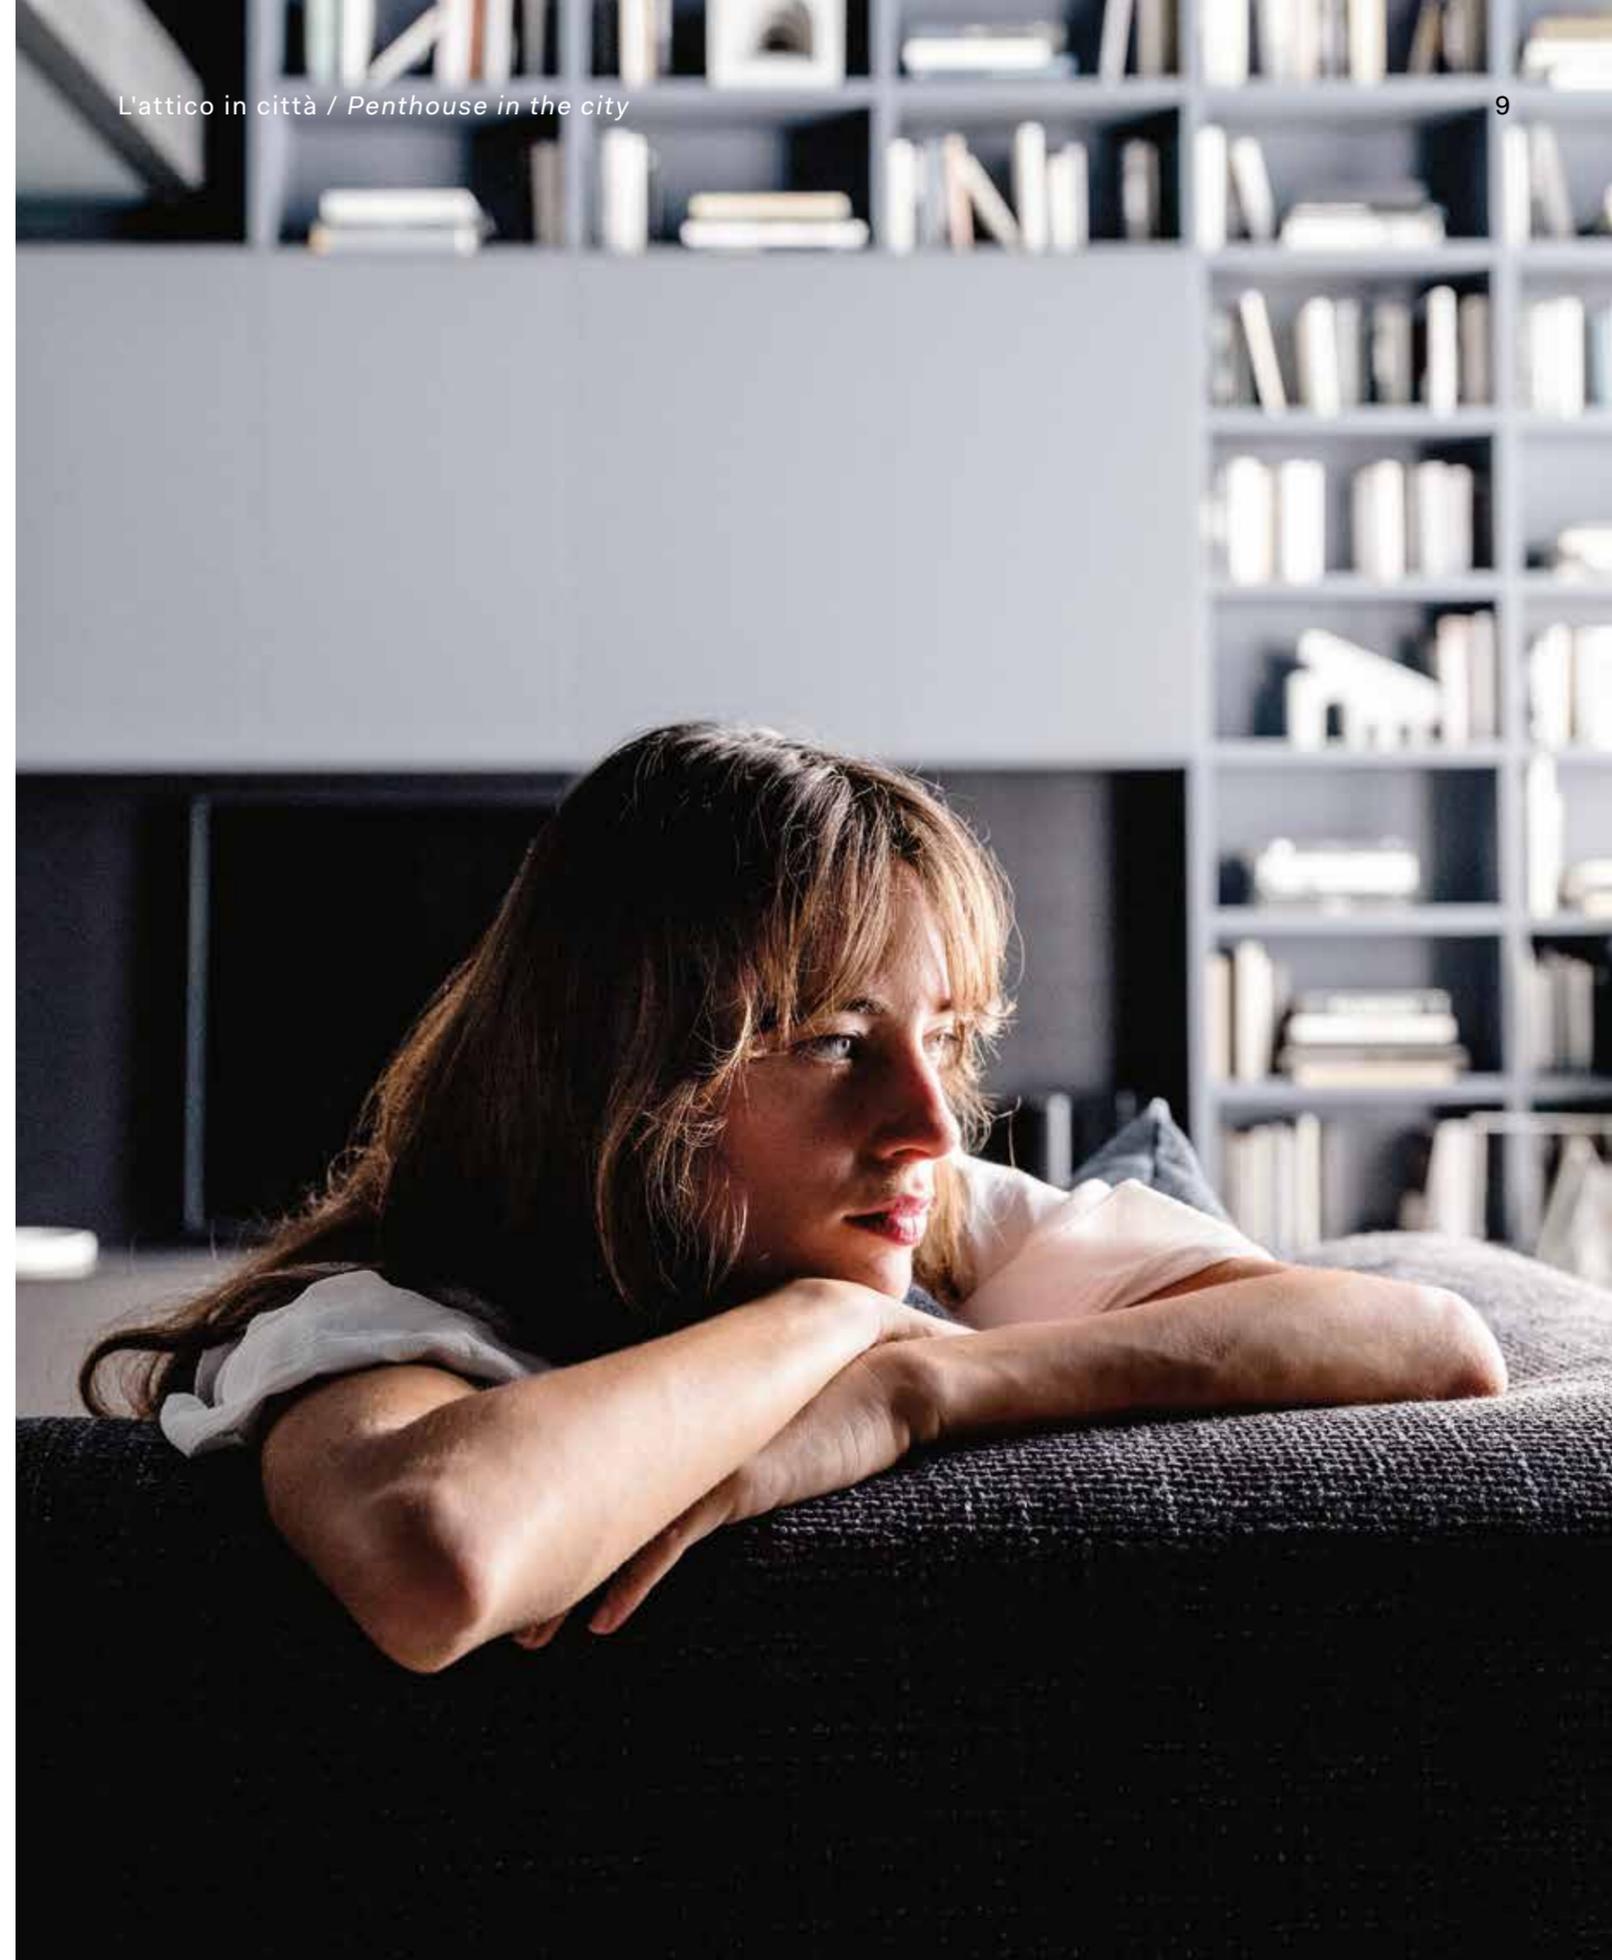

*In the centre of the world, and yet with that intimate and comfortable feel only your home can give you. With dark colours and nooks beckoning you to unwind, the city penthouse becomes a place where you can reconnect with yourself to make the everyday something special.*

"I libri sono il mio lavoro e la mia passione. La loro presenza è imponente, ma discreta: averli sempre a portata di sguardo mi rassicura."

*"Books are my job as well as my passion. Having them on show makes an impressive and, at the same time, low-key statement: I find it reassuring to always have them within my line of sight."*

## Il loft in collina

*Loft in the hills*

Una ex filanda tra le colline si trasforma nella casa-studio di un dandy contemporaneo. Luce e natura sono la perfetta cornice di questi interni sofisticati, dove nuovo e antico sono in dialogo costante.

*A former silk mill in the hills has been converted into a home-cum-studio for a contemporary dandy. Light and nature make a perfect backdrop to these sophisticated interiors, where the new and the antique have an ongoing dialogue.*
